

Everest

Bottled Water Dispenser

Crystal Mountain is taking cooling the waters of the world to new heights with the introduction of the Everest. Its sleek two toned aesthetic will enhance any space. The sturdy and ergonomic faucet handles are 177.8mm (7 inches) higher than traditional units, which enable effortless dispensing. The quickly removable side panels facilitate access to all electrical components for easy maintenance and servicing. The innovative removable reservoir and faucet assembly make the cleaning and sanitizing process fast and simple. Crystal Mountain proves that anything is possible when there is a drive to overcome all obstacles.
